(Approved by the Office of Management and Budget under control number 2133-0012)

[G.O. 89, Rev., 35 FR 11558, July 18, 1970, as amended at 35 FR 11686, July 22, 1970; 47 FR 25530, June 14, 1982]

§ 355.3 Criteria to be applied in support of stock data in affidavit.

(a) The same criteria should be observed in obtaining information to be furnished for stockholders named (direct ownership of required percentage of shares of stock of each class or series) in the Affidavit as those observed for the primary corporation. If, on the other hand, the “fair inference rule” is applied with respect to stock ownership (see *Collier Advertising Service, Inc. v. Hudson River Day Line*, 14 Fed. Supp. 335), the extent of U.S. citizen ownership of stock should be ascertained in the requisite percentage (65 percent for foreign operation and 95 percent for coastwise operation) in order that the veracity of the statutory statements made in the Affidavit (paragraph 5) may be relied upon by the Maritime Administration.

(b) When applying the fair inference rule (where there are more than 30 stockholders, except where one or more of such number actually owns the controlling or 75 percent interest) in order to prove U.S. citizen ownership in the required percentages (1) for foreign operation, 65 percent of the shares of stock of each class or series must be shown to be held by persons with registered addresses within the United States to prove that 51 percent or controlling interest is vested in citizens of the United States and (2) for coastwise operation, 95 percent of the shares of stock of each class or series must be shown to be held by persons having registered addresses within the United States to prove that 75 percent of the interest in the corporation is vested in citizens of the United States.

(c) If the primary corporation is consecutively owned by several “parent” corporations (holders of 100 percent of the stock of each or all classes or series of stock issued and outstanding), the

facts should be given in proper sequence either by chart or in narrative form, revealing the facts of stock ownership. The information with respect to the ultimate parent should include data relative to the basis upon which controlling or 75 percent (depending upon whether the primary corporation operates in the domestic or foreign commerce) is established, together with the names of the owners of record or beneficial owners of 5 percent or more of each class or series of stock, if more than one class or series, and statement that such owners are citizens of the United States. In any case where different classes or series of stock exist, each class or series shall be treated depending upon whether “closely held” or “publicly held,” individually in applying the fair inference rule, if applicable, or giving the relevant information with respect to United States citizens owning of record 51 percent or 75 percent of the interest.

§ 355.4 Changes in citizenship data.

It shall be incumbent upon the parties filing affidavits under this part to apprise the Maritime Administration promptly in writing relative to changes in data last furnished with respect to officers, directors, and stockholders holding 5 percent or more of the issued and outstanding stock of each class or series, together with statements concerning the citizenship status thereof.

§ 355.5 Additional material.

If additional material is determined to be essential to clarify or support the evidence of U.S. citizenship, such material shall be furnished by the aforementioned primary corporation upon request by the Maritime Administration.

Subpart A—Processing of Time-Barred Claims

§370.1 Definitions.

(a) *Time-barred claim* means a claim against the Government, for which the statutory period for filing suit has expired.

(b) *Contract* includes every agreement or contract entered into by the Maritime Administrator and/or Maritime Subsidy Board, the Director National Shipping Authority or their delegatee.

(Sec. 204, 49 Stat. 1987, as amended; 46 U.S.C. 1114)

[G.O. 102, 34 FR 6928, Apr. 25, 1969]

§370.2 General policy.

(a) Time-barred claims shall be rejected, except as follows:

(1) A time-barred claim which could be asserted in court by way of set-off against a claim in favor of the United States arising out of the same contract may be considered in an overall settlement where settlement will result in a net payment to the United States, provided claimant releases the United States from all claims arising from or in any way connected with said contract.

(2) Time-barred claims in favor of friendly foreign governments shall not be rejected solely because they are time-barred. However, should any such government adopt the practice of asserting the statute of limitations as a defense against claims of the United States, the time-barred claims of that government shall be rejected.

(3) Time-barred claims arising under Second Seamen's War Risk insurance (or similar earlier types of crew insurance) where the policy was issued or the risks were assumed by the Maritime Administration (or its predecessors), shall not be rejected where the beneficiaries were precluded from receiving the proceeds of the policy by reason of regulations or orders of the U.S. Government (i) by reason of the beneficiary being physically or mentally unable to present the claim, (ii) by the beneficiaries being unaware of their entitlement to the proceeds in question, or (iii) where the claim is not "stale" under general principles of equity.

(b) For the purpose of a claim by a General Agent under General Agency Agreements set forth in 32A CFR AGE-1 for reimbursement by the Maritime Administration on account of a timely payment made to a third party within a period of limitations running from the date the claim of the third party accrued, the period of limitations applicable to the General Agent shall run from the date of such payment. In all other cases involving claims arising under General Agency Agreements, including third-party claims, the policy provided in paragraph (a) of this section shall apply.

(c) Consideration of any claim governed by applicable regulations in this chapter II, including without limitation parts 272, 292, and 205 of this chapter, shall be controlled by the time limitations expressly provided for with respect to the submission of such claims.
